Mandan Public Schools
Foundation for Education

www.mandanschoolsfoundation.org

In April, 2010, a committee of dedicated citizens composed of current and former educators, local business leaders, and alumni formed the Mandan Public Schools Foundation for Education. The goal of the Foundation is to raise and to administer donations provided by benefactors for use by students and teachers selected for educational projects and learning opportunities not otherwise funded by the school district.

The Foundation is a non-profit organization, governed by an independent board of directors. The organization is funded with tax deductible annual and endowment gifts from alumni, businesses, services clubs, families, current and former district employees, and educational supporters.

Foundation Projects

Although the list of programs will continue to expand as funds become available, the Foundation has established three initial projects.

Student Scholarships—

Student scholarships will include not only college assistance for graduates, but also funding for elementary, middle school, and high school students for programs like camps, educational travel opportunities, etc.

Grants for School Employees and Students--

Grants from the Foundation will help teachers finance special projects designed for students. The grants will also aid students with educational projects that require funding.

Projects for Meeting Student Needs--

The Foundation will develop on-going projects to finance the fundamental needs of students in the Mandan School District, e.g. food programs, school supplies, and project expenses.

The Mandan Public Schools Foundation for Education needs your help to fund these excellent projects that will enhance the lives and education of students in the Mandan School District. With your tax deductible contributions, you can share in the Foundation's goal to improve the future of our students. The financial support students receive may alter the course of their lives. Please consider a generous contribution to help the Foundation fulfill its mission.
